

Chief, Administrative Staff

26 August 1958

Deputy Chief, Economic Research Area

Planning Officer for OTR

REFERENCE: Memo to Administrative Officer, ORR
from Asst. to DD/I (Admin) of 19
August 1958, subject as above

1. We have reviewed the professional personnel in the GS-13 and GS-14 grades in the Economic Area, as requested in the referenced memorandum, with a view to finding a good nominee for the OTR Plans and Policy Staff. We have concluded, based on this survey, that Dr. 25X1A9a is our best selection for the job.

25X9A5 2. [REDACTED] presently assigned in the Analysis Division, was Chief of the Organization and Management Branch of the Services Division prior to the abolition of that branch in the recent reorganization. He has seven years experience in the Agency, all of it in ORR, as well as a wide experience in teaching and government prior to his entry on duty with the Agency in 1951. He has a thorough knowledge of the Economic Area, as well as of DD/I interests and activities, and is a mature and capable person who we feel would be a useful addition to the OTR Plans and Policy Staff.
